

GDSC Web Team: Recruitment Task

Develop a layout similar to the one shown below using HTML & CSS

IMPORTANT:-

1. Use CSS for styling, use of any other **frameworks** or **libraries** is prohibited.
2. You can take creative liberty and show off your **CSS** skills for brownie points, but make sure to keep this layout design as base.
3. Submit the link to the project Github (Create the repository as a public one) and a Screenshot of the output in the google form: <https://forms.gle/drtXVdq8h6KfX6nL7>
